

BOS Chardonnay

2023

VARIETAL:

Chardonnay

VINEYARD:

This 100% Chardonnay comes from Ten Hands Vineyard, an organically and biodynamically farmed site on the northern end of Old Mission Peninsula, MI. This vineyard is a cooler site with sandy loam limestone soil, which brings a bright, clean edge to the wine.

CELLAR:

The fruit was harvested later in the season, enhancing ripeness and complexity. The wine was aged on the lees in old oak barrels, adding richness without overpowering the fruit. This wine captures Michigan Chardonnay at its best, offering vibrant energy, layered texture, and a strong sense of place guided by thoughtful winemaking.

TASTING NOTES:

Apricot & Lemon Preserve
