

BOS Wishflower 2024

VARIETAL:

Pinot Gris, Pinot Blanc & Chardonnay

VINEYARD:

This blend brings together fruit from both Leelanau and Old Mission Peninsulas. The warmer 2024 vintage encouraged generous ripeness and concentration across all vineyards.

CELLAR:

The fruit was egg fermented and aged on lees for seven months. This allowed it to build complexity and mouthfeel while preserving the natural freshness of the blend. Pinot Gris and Pinot Blanc give this wine a lift of crisp acidity, while the Chardonnay balances the wine with roundness and structure. This delightful blend remains a favorite year after year highlighting the elegance of Northern Michigan white wines.

TASTING NOTES:

Stone Fruit &
Lemon Candy
